Plaintiff brings forth several complaints against officers and administrative personnel of the Cook County Department of Corrections.

When plaintiff filed grievances regarding each matter, defendants instead responded in complete disregard to the said grievances. This campaign of willful, malicious, torturous and deliberate lack of proper conditions and treatment included but not limited to:

- 1). Deliberate and intentional campaign of lack of proper living condition and treatment
- 2). Repeated disregard to the filing of grievances, concerning these matters.
- 3). Willful disregard to the response of some grievances by officers and staff.
- 4). Deliberate and torturous campaign of lack of proper medical care.

COUNT 1; STAFF MISCONDUCT.

On Dec. 23, 2005 plaintiff got into an argument with several guys on his tier 2D-division-10. Plaintiff was struck in the face several times by a detainee name Victor McGee. Plaintiff was knocked out for approximately ten seconds. When plaintiff came to Victor was in the enter-lock with officer Pedro Castillo. Plaintiff saw a detainee by the name of John Taylor at the enter-lock door trying to get officer Castillo to call a sergeant, it was at this time that plaintiff found out that John Taylor was slapped with an ink pen by another detainee. Plaintiff then went to the enter-lock also trying to get officer Castillo to call a sergeant but he refused to do so because Victor McGee was one of officer Castillos workers and he did not want to get him in trouble. Officer Castillo waited approximately an hour when he thought things had died down then he called church and it was at that time that plaintiff went out to church and told sergeant Manos and several other officers what had happen. Instead of them investigating the incident they tried to put plaintiff in protective custody instead of disciplining the detainees that attacked plaintiff and John. After plaintiff refused to go to protective custody sergeant Manos made plaintiff sign a refusal form. Plaintiff was then taken to see Wiley the nurse who said plaintiff only had swelling around his left eye and that plaintiff will be all right. Plaintiff was then sent back to his tier with no further investigation done the next day plaintiff had two black eyes and swelling to the left side of his face. Plaintiff filed grievance but nothing was done concerning this matter. therefore defends Sergeant Manos, Officer Pedro Castillo, and several other officers (Names Unknown) can be expected to know of or participated in creating this situation.

I was found guilty on disciplinary charges on 4/28/06 for something I did not do. I was lied on by officer (Carter#1169) for (110 Verbally or Physically Demonstrating Distress to a Staff Member, 202 Being in a Unauthorize Area, 208 Verbal Threat to Another Person On 4/25/06 Plaintiff Robert Clark was the last person in line to see the nurse Plaintiff was also called to the enter lock by the counsler Ms. Gracy. There was one guy in front of me so I went to use the washroom. When I got finish the gut that was in front of me was finish seeing nurse Jefferson and was leaving the enter lock when I got to the enter lock door I had just cought the door and Ms. Jefferson as she was leaving out the other door. When I entered the enter lock to ask Ms Jefferson about my medication thats when officer Carter #1169 jest upped and snapped on me, telling me to get out of " his enter lock" I told him that I wanted to see the nurse and how was he jest going to deny me of seeing the nurse. At that time Ms. Jefferson asked me want I needed, I explained to her about not receiving my medication and she said that she would take care of it. All the time this was going on the counsler Ms. Gracy was standing there and another nurse that Ms. Jefferson was training. When Ms Jefferson started backing out of the enter lock to leave I turned around and officer carter said that I was going to get a ticket I asked him for what, I have not done anything. Officer Carter then stated well you will read about it. That was all said between Plaintiff and officer Carter. Counsler Gracy then started talking to me about a grevance I wrote about my diet trays. She gave me my reply then I left the enter lock. Later that day I was moved to another tier the next day I talked to sergeant Collins and Chief Moreci #76 after talking with Chief Moreci #76 I was thrown in segregation for no reason at all and written another ticket for refusing recreation which was not true. I did not get a ticket from officer Carter until the next day after Chief Moreci told him to write me one. After seeing the disciplinary hearing board plaintiff was given 14 days in segregation because no one cared to investitate my ticket. Nusre Jefferson and another nusre was there and counsler Gracy was also there I asked the hearing board to notify them as witnesses but they refused to do so. I also appealed to Superintendent Plaxico he came to see me after my mother call him for me. He said that he was going to investigate my ticket and let me out of segregation but that never happened. Therefore defendents Chief Moreci#76, Capt. Scaife#10, sgt. Collins, Lt. D. Martinez#97, Superintendent Plaxico, Officer Carter#1169, Officer Kelly#3199, and everyone on the hearing board (NAMES UNLEDGEABLE)on ticket. can be expected to know of or participated in creating this situation.

COUNT 3; DEFICIENT MEDICAL ATTENTION.

Plaintiff as been complaining to nurse Maxi and Ms. Tate about having severe pain in his lower back and both of his legs for over a year. Everytime plaintiff turns in a medical form to Maxi or Ms. Tate they refuses to turn them in to the doctor, because they are the ones who determines who should see the doctor and who should not. The nurses are not doctors how can they determine if plaintiff is hurting or not. Finally when Dr. Mansour

did examine the affected areas with out x-rays he concluded on doing nothing only after repeated complaints and several visits to the health care was catscan ordered by Dr. Dunlap who plaintiff also has been complaining to. Plaintiff was then sent to cermack where catscan reports showed that plaintiff had a (MISS LOCATED HERIATED DISK) in his lower back that was pushed up agaiant a nerve which caused the pain in plaintiffs lower back and legs. At that point no futher medical attention was administered to plaintiff by said center. At that point, plaintiff started a compaign of grievance reports in prayer of getting proper medical attention. Plaintiff as also compained to nurse Maxi and Ms. Tate about a severe tooth ache for over four months and plaintiff was told by both nurses that there is no longer a detist here in division-10 and that there is only one denist for the hold Cook County Department of Corrections. When plaintiff did finally get called for dental on approxiately May 18, 07 the denist did not show up forcing plaintiff to endure continious excruciating debilitating pain and suffering for approximately another month and a half. Plaintiff was not called back to dental until approximately July 8, 07 and the denist still did not show up until the next day. It was only then that plaintiff finally got his tooth pulled after suffering severe pain for over four months and I have another tooth thats has been bothering me since that date that I cant get pulled. also on August 14, 06 in a memo to all detainees the Cook County Department of Corrections took certain detainees gym shoes on August 21, 06 stating that they did it to improve the safety and security for all detainees housed at Cook County Department of Corrections so why didnt they take shoes in all divisions they only took shoes in division 1,9,10,and 11 and they only took half of those detainees shoes, and the ones that they did give shoes to they are tore up already. These County issued only last a month or two and it is hard for you to get another pair. Cook County Officails also did not take in the consideration of certain detainees medical conditions. A detainee might have flat feet and can not wear county issued shoes. Some detainees need shoes with an arch in them, some detainees also have other medical problems that prevent them from wearing such shoes. These shoes as caused swealing of some detainees feet, blisters, and arches to drop. I have a hip problem and a metal rod and plate in both of my legs. Some detainees have medical precipitions and court orders for our shoes but the Cook County Jail officails will not honor them. Detainees recreation as also been cut short because of these shoes. We are not able to no longer play basketball, jog, or lift weights. I dont see how this improves the safety or security for all detainees housed at Cook County Jail, first, they did not take all detainees shoes, second, detainees are stripped searched when they first come through recieving then are taken to thier assigned divisions where they are stripped seached again and then your shoes are taken from you, but at this point and after three strip searches if any detainees as any contraband on them it as already intered the Cook County Department of Corrections. Shoes has to be taken in recieving for these reasons given by Cook County Department of Corrections. The Illinois Department of Corrections take inmates shoes in recieving but also reconize the problem with such shoes as temperary shoes and gives inmates the option of

buying some more shoes from thier commissary. The Cook County Department of Corrections can also provide gym shoes on thier commissary where they know there is no contraband in them if this is thier only reason, we are not convicted felones we are only detainees .Therefore, Doctor Mansour, Doctor Dunlap, Medical Administrator of Cermack, (Name Unknown), Ms. Tate, Maxine, and for the part concerning the shoes Sheriff Tomas Dart, Executive Director Salvador A. Godiney, Superentendent Andrews, Lt. Tucker can be expected to know of or participated in creating this situation.

Count 4, DEFICIENT COMMISSARY AND PRICE GOUGING.

Evert since plaintiff has been housed here at (Cook County Department of Corrections), the commissary here has not been up to a normal or professional standard. Every week there is something either missing out of detainees order or detainees are given items that they did not order. Plaintiff is not supposed to sign the commissary pick ticket until he recieves and checks his order, but the Cook County Department of Corrections and Aramark Commissary personel makes plaintiff and other detainees sign the commissary pick ticket before they check thier order or plaintiff will not recieve his commissary. Once plaintiff has signed his pick ticket, commissary personel will not let plaintiff refuse order if something is missing or if it is not his order. Plaintiff is forced to take the order because he has signed the pick ticket. In either case if something is missing or if you are allowed to refuse an order it takes commissary presonel three to four weeks to put plaintiffs and other detainees money back in thier account. The commissary provided by the Cook County Department of Corrections through Aramark are also grossly over pricing commissary personal hygiene items and food items. They have raised prices dramatically after August 1, 2005 to make up for lost revenue from cigarette sales. They are also price gouging plaintiff is sold food items that are nonprofitable. Plaintiff and other detainees are cheated by the methods of The Cook County Department of Corrections and Aramark. Aramark is an unprofessional company plaintiff went through similar problems with his diet Plaintiff was told through detainees grievance response that this is a Cook County issue, not a commissary issue, Therefore this is a systemic situation so defendants; Executive Director, Salvador A. Godenez, Sheriff Michael F. Sheahan, Superintedant Plaxico, Holly Demske, Meeka Chatmen, and President and C. E. O. of Aramark (NAMES UNKNOWN) who hold contacts with the Cook County Department of Correction can be expected to know of or participated in creating this systemic situation.

COUNT 5; DEPRIVATION OF CULTURAL READING MATERIAL.

PLaintiff was receiving (BLACK AND LATINO) magazines while housed here at Cook County Department of Corrections. On approximately May 21, 2006 there was a memo placed on all wings with 46 black and latino magazines listed on it stating that the magazines that were listed will (NO) longer be allowed at Cook County Department of Corrections due to nudity. These magazines, such as (XXL, BLENDER, SOYRCE, VIBE, MAXIUM, STUFF, etc.) do not have nudity in them. The contents of these magazines has nothing in them that plaintiff or anyother detainee does not see on everyday television or DVD which

is provided by the Cook County Department of Corrections. Plaintiff understands that he is not allowed magazines with nudity in them like (PLAYBOY, BLACKTAILS, PENTHOUSE, etc.). The Cook County Department of Corrections has banded all black and latino ethnic magazine available that represent plaintiff and other minority group hip-hop culture. This is a systemic situation, Therefore defendants (Sheriff Michael Sheahan, Sheriff Tomas Dalt, Executive Director Kelly Baird, Executive Director Salvador A Godinez, Superintendent Plaxico and George Barrero head of mailroom, can be expected to know of or participated in creating this situation.

COUNT 6; INADEQUATE BEDDING.

Plaintiff has slept on the floor for approximately three months since he has been housed here at Cook County Department of Corrections. There are thousands of detainees that comes through the Cook County Department of Corrections each week that are forced to sleep on the floor in cells, do to overcrowdness. Detainees are put in cells on the floor so when inspectors or tourist come through it looks like (NO) one is sleeping on the floor. The cells here in Division-10 are not big enough for two inmates so its really hard to celly with three detainees in a cell you have to walk all over the third detainee thats on the floor. This is a systemic situation, Therefore defendants Sheriff Michael Sheahan, Sheriff Tomas Dalt, Executive Director Kelly Baird Executive Director Salvador A Godinez, and Superintendent Plaxico, can be expected to know of or participated in creating this systemic situation.

Count 7; BASIC HUMAN NEEDS.

On March 1, 2007 there was a new policy enforced here at Cook County Department of Corrections by Executive Director Godinez A. Salvador, SHERIFF Tomas Dart, and Superintendent Plaxico. On each tier, we are allowed out of our cells, half the tier at a time, If the lowside comes out in the morning, the highside comes out in the evening and the following morning also. Whoever has the evenings out also comes out the following morning. At the close of each day the morning lock-up is at 1:30 p.m. and whichever side had the morning shift out, must be confined to a cell for the next 26 to 27 hoysrs, until 3:30 or 4:00 p.m. the following day after the day shift changes. If we have to lock-up while officers takes a lunch break we are only out of our cells a total of 3 1/2 to 4 hours every 27 hours at a minimum because officers do not come back on time from thier lunch break. If plaintiff have mornings out, after plaintiff locks up at 1:30 he must go 27 hours without a shower, thats longer than plaintiff would go if he was on a disciplinary lock-down, which also seems to happen quite often here in division-10. If something happen on anoter tier, such as a fight instead of locking that tier down superintendent Plaxico and the director locks the hold building down but let certain tiers stay off lock down who he thinks should not

be on lock-down. On 7-26-07 there was a disturbance on 4D and the building went on lock-down a few days later acting superintendent Salazar let the second floor and 1B off of lock-down but left everyone else locked-up. If the second floor and 1B was let off lock-down because of thier non-involvement in the disturbance; then why not everyone that was not involved let out also, Plaintiff was also denied his visits except for immediate family. On 8-16-06 there was a memo place on all tiers by superintendent Plaxico stating that detainees will no longer be allow to have clothes lines in thier cells. Plaintiff and other detainees are also not allowed to hang thier clothes in the dayroom. This does not make sence because where is plaintiff suppose to hang his wet under clothes, and county issued clothes when Cook County department of correction does not change them for weeks. The cook county jail does not provide any means of washing and drying plaintiffs or any other detainees under-clothes. We are also not allowed cleaning supplies nor are we allowed to clean our cells which has been a problem since Plaxico has been Superintendent here in division 10. Also doing the lock down from 6/26/07 to 7/11/07 acting Superintendent Salazar, Captain Arce, and Sergeant Casdro lead an expedition to take all cothes lines , cleaning supplies, cleaning rags and towels. This new policy is also effecting sevices which ever side is locked up during the time of reliqiousservices are denied the privilege to worship and particiate in those services we are not allowed to go to the law library on a regular basis any more it takes weeks or even months before we get to the law library because of the lock down they think you are putting in a pass jest to get out of our cells. The Cook Conty Department of Corrections has stop serving fruit all togother we have not had any fruit for over a year and plaintiff only recieve three teaspoons of vegetables four to five times a week.

BRIEF SUMMARY OF THE COMPLAINT: Everysince 3d has been changed to an over 40 tier and we where moved up here we have had problems out of officer Martale she comes in in the morning purposely starting choas she starts the by sceaming and hollering sometimes calling us old mother fucker, threasting us with tickets and treating us like we are children for no reason at all we do not give her any problems or reasons to treat us in such a fashion. she nick-picks with us all day long just finding little things to try to right people up then after she ran out of personal issues to right us up she came in one morning and told us to take everything out of our windows and we applied. She came back the next day telling us to take pictures off the walls and we applied with that. then the next day she came in telling us to take down chgthea lines and we applies with that also. then the next day she came in seaching through cells for milk cartons and styrofoam trays when a sergeant is suppose to be assigned to oversee all tier seaches to assure compliance of the seach procedures. And then to top everything off she came one day and told us that we had to empty our trash bags. she did all of this with the treat of no T.V. phone or a ticket. My point is that she could havetold us this in one day instead of one day at a time and she does it all through the day 4 to 5 times just to aggravate us then tells us to bond out or cop out if we dont like it. Officer Marterie as personal problems and issues that she takes out on us and she is very unprofessional in her job. We hope this matter will be looked into Thank You!

 Detainee Last Name: BCLARK First Name: ROBERT

 ID #: 2004 - 0096333 Div.: 10 Living Unit: 2D Date: 11 / 15 / 06

BRIEF SUMMARY OF THE COMPLAINT: ON AUGUST 14, 06 IN A MEMO TO ALL DETAINEES THE COOK COUNTY DEPARTMENT OF CORRECTION TOOK CERTAIN DETAINEES GYM SHOES ON AUGUST 21, 06 STATING THAT THEY DID IT TO IMPROVE THE SAFETY AND SECURITY FOR ALL DETAINEES HOUSED AT (CCDOC). COOK COUNTY OFFICIALS DID NOT TAKE DETAINEES SHOES IN NO DIVISION BUT 1,9,10,11, AND THEY ONLY TOOK HALF OF THOSE DETAINEES SHOES, AND THE ONES THAT THEY DID GIVE SHOES TO THEY ARE T
TORN UP ALREADY. THESE COUNTY ISSUED SHOES ONLY LAST A MONTH OR TWO AND SUPERINTENDENT PLAXICO WILL NOT ISSUE DETAINEES ANOTHER PAIR. COOK COUNTY OFFICIALS ALSO DID NOT TAKE THE CONSIDERATION OF CERTAIN DETAINEES MEDICAL CONDITIONS. A DETAINEES MIGHT HAVE FLAT FEET AND CAN NOT WEAR COUNTY ISSUED SHOES. SOME DETAINEES NEED SHOES WITH AN ARCH IN THEM, SOME DETAINEES ALSO HAVE OTHER MEDICAL PROBLEMS THAT PREVENT THEM FROM WEARING SUCH SHOES. THESE SHOES AS CAUSED SWEALING OF SOME DETAINEES FEET, BLISTERS, AND ARCHS TO DROP. I HAVE A SEVERE MEDICAL PROBLEM THAT PREVENTS ME FROM WEARING COUNTY ISSUED SHOES. I HAVE A HIP PROBLEM AND A METAL ROD AND PLATE IN BOTH OF MY LEGS. SOME DETAINEES HAVE MEDICAL PRESCRIPTIONS FOR OUR SHOES BUT NOW COUNTY OFFICIALS WILL NOT HONOR THEM NOW WE ARE TOLD WE NEED A COURT ORDER. DETAINEES RECREATION AS ALSO BEEN CUT SHORT, WE ARE NOT ABLE TO NO LONGER PLAY BASKETBALL, JOG, OR LIFT WEIGHTS. I DONT SEE HOW THIS IMPROVES THE SAFETY OR SECURITY FOR ALL DETAINEES HOUSED AT (CCDOC). DETAINEES ARE STRIPPED SEARCHED WHEN THEY FIRST COME THROUGH RECEIVING THEN ARE TAKEN TO THEIR ASSIGNED DIVISIONS WHERE THEY ARE STRIPPED SEARCHED AGAIN AND THEN YOUR SHOES ARE TAKEN FROM YOU BUT AT THIS POINT AND AFTER THREE STRIP SEARCHES IF ANY DETAINEES AS ANY CONTRABAND ON THEM IT AS ALREADY INTERED THE (CCDOC) SHOES HAS TO BE TAKEN IN RECEIVING FOR THESE REASONS. THE (IDOC) TAKE INMATES SHOES IN RECEIVING BUT ALSO RECONIZE THE PROBLEM WITH SUCH SHOES AS TEMPORARY SHOES AND GIVES INMATES THE OPTION OF BUYING SOME MORE SHOES FROM THEIR COMMISSARY. THE (CCDOC) CAN ALSO PROVIDE GYM SHOES ON COMMISSARY WHERE THEY KNOW THERE IS KNOW CO CONTRABAND IN THEM IF THIS IS THEIR ONLY REASON WE ARE NOT CONVICTED FELONES WE ARE JUST DETAINEES.

Since August 1, 2003 he made up lost revenue from cigarette sales. They also price gouging detainees on food more than 100%. The commissary provided by CCDC through Amman is unprofessional they are always missing something in your bag or making an order that you did not order and it takes 2-3 to 4 weeks to get it back it takes three to four weeks some times months. I want to bring serious problems with this company with my diet. I was told through other detainees that this was a cook county issue. Out of commissary and they also not allow to buy tooth brushes, soap, more.

Superintendent

Dear Superintendent

I am appealing my disciplinary charges 110 Verbally or physically Demonstrating distress to a staff member. 202 Being in a restrictive area. 203 Permitted to another person. I was found guilty on 4-28-06 for something I did not do I was lied on by one of your staff members on officer Carter #1169. I tried to explain to Sgt. Collins, Sgt. Helms and Capt. Sechi #10 on the second shift and Chief Morris #76 but no one cared to look into my situation or investigate my charges. on 4-25-06 I was the last one in line to see the nurse I was also called to the enter lock by counselor gray. there was one guy in front of me I said I want to see the nurse when I got finish the guy in front of me was finish seeing the nurse Jefferson and left out when I got to the enter lock I had just caught nurse Jefferson as she was leaving out the other door. I open the inner door to ask her about my medication and that's when officer Carter #1169 stepped in on me telling me to get out of "his" enter lock I told him that I want to see the nurse and how was he just going to deny me of seeing the nurse at that time nurse Jefferson asked me what I wanted I explain to her about my medication and she said she would take care of it. all the time this was going on counselor gray was standing there and another nurse ~~was~~ I guess

nurse Jefferson was training her. as nurse Jefferson asked
 out to leave I turned around and officer Carter said that
 I was going to get a ticket I ask him for what that
 I haven't done anything, then officer Carter stated well
 you will read about it, that was all I said between
 officer Carter and me. counselor Gray then started talking
 to me about a grievance I wrote about my diet trip.
 He gave me my reply and after that I left. I was
 thinking to myself why officer Carter snapped on me
 like that, until another inmate told me that John Taylor
 another inmate and officer Carter's friend and a worker was
 out in the enter lock with Carter earlier talking about
 me John Taylor told officer Carter that I was the one
 talking about him and calling him names when we was
 a lock-down that morning 4-24-06. I guess that's why
 officer Carter had a attitude with me officer Carter
 never acted that way with me until that day nor
 have I ever been disrespectful to officer Carter or any
 other staff member since I've been here. I've been by all
 rules and regulations you can ask any officer that
 I've come in contact with since I've been here and
 that's about all of them. after I found out what
 John Taylor told officer Carter that when I confronted
 John Taylor and told him to keep my name out of
 his mouth I went back to playing cards while
 John went back into the enter lock to talk to officer
 Carter, at lunch I went to my cell and
 went to sleep I did not come back I don't even

come out of my cell in the morning and officer Carter knows that the only reason I came out of my cell that day was to see the nurse. Sgt. Collins came to see me he never said anything to me about disrespecting officer Carter all he ask me about is that did I have a problem with John Taylor I said no and Collins said O.K. if he and Carter went home was he going to have a problem out of me and John I told Collins that I did not have a problem with John ask long as he did not ~~have~~ have a problem with me. Sgt. Collins said O.K. and left. I went back to sleep and left it at that. When shift changed Carter when down stairs since Collins did find any reason to walk ~~me~~ me to the hall and talk to the Chief and Sgt. Helms and Capt. Scipio. at around 10.00 clock p.m. that night I was told by officer Martin to pack my stuff that I was going to the holding cage I asked him for what and he said he did not know. I went down stairs thinking that I was going to the hall. but officer Anderson told me that I was going to 3D I ask her why I had to go to 3D because I haven't done anything. I started to go to the hall that night but I said I would wait and talk to Collins in the morning. When Sgt. Collins came up on 3D he said to me and said so they move anyway I ask him why I was moved he said he did not know why I was moved but he would check it out I asked him can he move me back and he said that the only one that can move
